

# Call Details: Call Closed By (Call Closers) - Admin Panel

**Purpose:** Identify who is closing calls and at what share.

## Reading the panel

- The chart shows the distribution of closed calls by closer.
- Use it to recognize good performance and to find training needs.

## Actions to take

- Pair high closure share with quality checks.
- If a user closes many calls outside working hours, review workload balance.
- Use the results in coaching sessions.

## Tips and good practices

- Cross-check with **Call Closure Time**. Fast and accurate closure is the goal.
- Share winning call notes and templates with the whole team.
