Play a specific audio part of the call

Purpose: Listen to the exact audio segment that matches a transcript line.

Steps

1. In the middle transcript, find the line you want to verify.
2. Click the small play button on that line.
3. The player will jump to that exact spot and play only that segment.

Tips and good practice

- Use this when you doubt a transcription or need to confirm a date, name, or instruction.
