

# Refresh, collapse, and paginate on Inbound calls worklist

**Purpose:** Coordinate with your team without leaving the dashboard.

## Steps

1. Click the floating **chat** button (bottom-right).
2. Select the recipient or channel per your clinic setup.
3. Send your message. Chat runs in a secure, HIPAA-compliant channel.

## Tip and good practices

Use chat to hand off a call thread or to request an internal callback.
