SimboVara Workflow Customization: Build Talk to Clinician Workflow Questions - Admin Panel

Purpose

Capture enough detail to arrange an informed clinician callback.

Where to edit: Talk to Clinician Workflow Questions

Suggested workflow questions

- Please specify the message or reason in detail for arranging the callback

Optional additions

- Ask for best callback time and number.

Steps

1. Enter your prompt and any safety language your compliance team requires.
2. Click **Save**.

Tips and Good practices

- Encourage concise but specific messages.
- Add a line that states expected response time.
